

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The media is so disgusting now I have deleted the CNN and FOX stations from my TV settings and I know many following the lead. I mean any one that sees it fit to have a 6 month news story on sex in the white house and nothing on the connection to the energy companies is obviously controlled by those in power. Me being in a chair paralyzed from the waist down, take this to offense. All that time and money could have been spent on cancer spinal cord injury and AIDS. But instead you let this disgusting media continue. I hope one day to lead a law suite in these regards.
